

Invitation to Tender

Electrical Fit-out, Quillbrook Public Library, Main Floor

Tender number QPLB-2026-07. Issued 2026-09-08.

The Quillbrook Public Library Board (the Owner) invites stipulated price tenders from electrical contractors for the electrical fit-out of the main floor of the library building at 2150 Heron Crescent, Quillbrook, Alberta. The Owner's consultant for this work is Brightline Consulting Engineers Ltd.

1. Scope of work

Supply and install the new electrical distribution, lighting, and wiring devices for the main floor fit-out, as shown on drawings E-000 to E-102 and specified in Division 26. The work includes:

- a new feeder from a spare breaker in the existing main distribution panel to a new 75 kVA dry-type transformer;
- a new 225 A, 42-circuit panelboard LP-1 fed from the transformer;
- LED troffer lighting, exit signs, and emergency battery units, with local switching;
- duplex receptacles throughout the fit-out area;
- branch circuit wiring in EMT, testing, and a typed panel directory.

Fire alarm, data, and security systems are by others and are not part of this tender. The base building shell is complete and there is no demolition.

2. Tender documents

The tender documents are this invitation, the Division 26 specification issued with it, and the following drawings, all revision 0, issued for tender on 2026-09-08:

Sheet	Title
E-000	Legend, Drawing Index, General Notes
E-001	Single-Line Diagram
E-002	Panel Schedule LP-1
E-101	Lighting Plan, Main Floor
E-102	Power Plan, Main Floor

3. Submission

Tenders close at **2:00 p.m. Mountain Time on Friday, 29 January 2027**. Late tenders are not accepted.

Address the tender to: Quillbrook Public Library Board, Attention: Dana Whitfield, Facilities Coordinator, 2150 Heron Crescent, Quillbrook, Alberta. Submit one PDF by email to tenders@quillbrooklibrary.example with the tender number in the subject line.

4. Form of tender

Tender a stipulated lump sum price in Canadian dollars for the whole of the work, excluding GST. A schedule of values is not required at tender stage; the successful contractor provides one before the first progress claim. The tender is a written proposal that states the lump sum price, the scope included, and the tenderer's assumptions and exclusions.

5. Site visit

An optional site visit is held at 10:00 a.m. on Tuesday, 6 October 2026, at the library's main entry. Attendance is not mandatory.

6. Questions

Send questions by email to tenders@quillbrooklibrary.example no later than 5:00 p.m. Mountain Time on Friday, 15 January 2027. Answers are issued to all tenderers by addendum.

7. Alternates and unit prices

No alternates or unit prices are requested.

8. Bid security

The Owner has not yet confirmed the bid security requirement for this tender. Tenderers must confirm with the Owner's contact whether bid security is required, and in what form, before submitting a tender. A tender submitted without confirming the bid security requirement is non-compliant and will be rejected.

9. Insurance

The successful contractor carries commercial general liability insurance of not less than \$5,000,000 per occurrence, naming the Owner as an additional insured, for the duration of the work.

10. Schedule and working hours

The work is to be complete within eight weeks of award. Work inside the library is permitted between 7:00 a.m. and 5:00 p.m., Monday to Friday. The connection at the existing main distribution panel requires a shutdown outside library opening hours, coordinated with the Owner.

11. Contract

The contract is CCDC 2, stipulated price contract, with the Owner's supplementary conditions. The Owner may accept any tender or reject all tenders.
